SUMMARY

Emotio - Emotional Intelligence Assessment

Emotio is a game based assessment that measures an individual's ability to identify and work with emotions in different situations. Those who score high in emotional intelligence are better at work related outcomes such as interpersonal effectiveness, collaboration and team work, decision making and success in leadership and management roles.

Score Details

Situational Emotions

This scale measures the candidate's ability to recognize emotions and demonstrate awareness of how different situations and events influence emotions. Individuals with a strong understanding of emotions are better able to predict future emotions based on current events and use this knowledge to inform their approach to people and situations.

45
Percentile

Face Match

This scale measures the candidate's ability to quickly and accurately identify a broad range of emotions in facial expressions. Individuals who are able to accurately perceive emotions are more likely to identify a need to respond and adapt to people and situations as required.
